

VERMILION HEADWATERS WATERSHED GROWER'S DAY

Join us for the Grower's Day at Nutrien Ag Solutions in Fairbury, IL.

American Farmland Trust is partnering with Nutrien Ag Solutions, Precision Conservation Management, and Agricultural Drainage Management Coalition to host a Grower's Day in the Vermilion Headwaters Watershed.

Come learn ways to reduce nutrient loss while increasing farm income through:

- Stations and a live drone cover crop seeding demo
- Key speaker - Eric Snodgrass, Nutrien's Principle Atmospheric Scientist, will provide insights into the impact of current Midwest climate changes on crop production.
- Farmer panel - local producers who will talk about their successes and challenges in making their farms more resilient.

Families welcome. Food and drinks provided.

Date:

August 22nd, 2024

Time:

5:00 PM - 7:30 PM

Location:

**Nutrien Ag Solutions
8196 N 2000 Rd
Fairbury, IL 61739**
